*Management Unit, Sturt Gorge Recreation Park Vegetation Management Plan (2003)

Please note that all working bees are 3 hours with morning tea provided.
Your working bee coordinator can provide you with tools and personal protective equipment.
Work priorities may change on the day if conditions are unsafe.

Reminders, trail maintenance working bee locations and additional events are promoted via the email list.
If you would like to be added to this list, please message moreinfo@fosg.org.au
