\*Management Unit, Sturt Gorge Recreation Park Vegetation Management Plan (2003)

Please note that all working bees are 3 hours with morning tea provided.

Your working bee coordinator can provide you with tools and personal protective equipment.

Work priorities may change on the day if conditions are unsafe.

Please remember to sign on, and sign off when you leave. **Any additional biodiversity and trail maintenance working bees** will be promoted via the email list. If you would like to be added to this list, please message [moreinfo@fosg.org.au](mailto:moreinfo@fosg.org.au)
