*Management Unit, Sturt Gorge Recreation Park Vegetation Management Plan (2003)

Please note that all working bees are 3 hours with morning tea provided. Your working bee coordinator can provide you with tools and personal protective equipment. Work priorities may change on the day if conditions are unsafe. Please remember to sign on, and sign off when you leave. On Total Fire Ban days the Park is closed, and the working bee will be cancelled. Any additional biodiversity and trail maintenance working bees will be promoted via the email list. Email moreinfo@fosg.org.au to be added to the list.

Are you ready for an emergency?

Discover how you can prepare your household for an emergency at a dynamic Red Cross preparedness session. Receive your free award-winning 'Emergency RediPlan' which will help you to plan ahead to manage the health, financial and material consequences of emergencies.

Peppered with real-life anecdotes, facilitated discussions and activities, sessions are engaging and focus on practical ways you can get prepared.

There are lots of simple things you can do to get prepared!
