*Management Unit, Sturt Gorge Recreation Park Vegetation Management Plan (2003)

**If you're not on the e-list, email moreinfo@fosg.org.au for the meeting point or to be added to the list.

Please note that all working bees are 3 hours with morning tea provided.
Your working bee coordinator can provide you with tools and personal protective equipment.
Work priorities may change on the day if conditions are unsafe.

Additional biodiversity and trail maintenance working bees will be promoted via the email list.
