\*Management Unit, Sturt Gorge Recreation Park Vegetation Management Plan (2003)

Please note that all working bees are 3 hours with morning tea provided.  
Your working bee coordinator can provide you with tools and personal protective equipment.

Work priorities may change on the day if conditions are unsafe.

Please remember to sign on, and sign off when you leave.

On Total Fire Ban days the Park is closed, and the working bee will be cancelled.

**Any additional biodiversity and trail maintenance working bees** will be promoted via the email list.  
If you're not on the e-list, email [moreinfo@fosg.org.au](mailto:moreinfo@fosg.org.au) for the meeting point or to be added to the list.
