*Management Unit, Sturt Gorge Recreation Park Vegetation Management Plan (2003)

NOTE

- All working bees (biodiversity and trails) are 3 hours including a refreshment break at 10am.
- BYO refreshments and water.
- Sign on when you arrive, and sign off when you leave.
- Your working bee leader can provide you with tools and personal protective equipment if required.
- Wear long pants, long sleeves, sturdy shoes, hat and sunscreen.
- Work priorities may change on the day if conditions are unsafe.
- Working bees are automatically cancelled if the forecast temperature is 35 degrees or more, or there is a total fire ban.

Any additional biodiversity and trail maintenance working bees will be promoted via the email list. Contact moreinfo@fosg.org.au to be added.
